Diesel Mechanic/ Heavy Vehicle Mechanic

Mulgoa Quarries Pty Ltd is currently seeking an experienced **Truck Mechanic** to join our night shift team located in Penrith.

The successful candidate will be expected to service, repair and maintain our modern fleet of trucks and trailers.

To be successful you must have:

- Trade qualification Cert III - Heavy Vehicle/Diesel Mechanic
- Minimum 3 years' experience (post-trade)
- Experience performing routine maintenance on truck and trailers
- High level of technical ability and knowledge
- Current NSW MR or HR drivers licence (HR will be considered favourably)
- Demonstrated ability to diagnose and rectify mechanical/ electrical/ hydraulic faults
- Ability to work as part of a team and autonomously
- Be trustworthy, hard-working and take pride in your work
- Previous experience working on heavy machinery
- Commitment toward Workplace Health & Safety

Desirable criteria:

- Fabrication and welding experience

In return an attractive remuneration package, tools and training will be provided.

Please **email your resume to careers@mulgoaq.com.au**.

Please share if you have a friend or family member who may be interested in this position and would be a good fit within the Mulgoa Quarries team.
